“Cuisine does not measure itself
in terms of tradition or modernity.
One must read in it the tenderness
of the chef.”

A handwritten signature in black ink that reads "Pierre Gagnaire". The signature is fluid and cursive, with a prominent initial 'P' and a long, sweeping underline.

A DEGUSTATION DESIGNED WITH THE WINE FIRST.

Our Wine Team and our Chef de Cuisine John Miranda create a unique menu inspired by the world's finest wines. Chef John then tastes and listens to the wine's description and creates a dish which would pair perfectly.

The wines included are always top notch examples of the world's finest wines. Didier Dagueneau, Château Haut-Brion, Angelo Gaja, Château Leoville Las Cases, Château d'Yquem, Kongsgaard "The Judge" Chardonnay and Domaine Huet Vouvray are all examples of current or previous wines. The menu is designed around seven courses which epitomize the season and are always changing based upon Chef's best ingredients.

If you are interested, we could always tell you about tonight's wines but the menu is always a surprise!

Chef John Miranda
